

REMARKS/ARGUMENTS

In response to the outstanding Office Action, claims 2, 5 and 6 have been rejoined, claim 5 has been amended, and claims 11-17 have been cancelled. Claims 1-10 therefore are pending and presented for review. Allowance is believed to be in order in light of these amendments and the following remarks.

The objection to claim 5 is noted. The Examiner's requested change would have rendered claim 5 grammatically inaccurate and, therefore, has not been adopted. However, it is believed that the amendment to claim 5 complies with the spirit of the Examiner's request. The Examiner is invited to telephone the undersigned if he disagrees.

The allowance of generic claim 18 [sic: 1] and all claims dependent therefrom is noted with appreciation. Since non-elected claims 11-17 have been canceled, all pending claims 1-10 are believed to be allowable, and a Notice of Allowance is therefore respectfully requested.
